ABOUT

Savannah Meek is a Birmingham-based designer who specializes in branding, with a love of illustration and storytelling. She was raised in Jacksonville, Alabama, and received a BFA in graphic design from Jacksonville State University in 2021. The following year, she made her way to the Magic City, where she now designs for Telegraph Creative. Whether it be adding flair with drawings, drafting storyboards, or bringing a new brand to life, if there is a problem, she can find a creative solution.
